Dear Ali Perrin:

The Arizona Department of Transportation is pleased to announce that your firm has been certified as a Disadvantaged Business Enterprise (DBE) in Arizona, under a Unified Certification Program (UCP) in accordance with 49 CFR, Part 26. This certification provides reciprocity in the DBE program with the Arizona Department of Transportation, the City of Phoenix, and the City of Tucson.

DBE certification is continuing from the date of this letter, but is contingent upon the firm renewing its eligibility annually through this office. You will be notified in advance of your obligation to continue eligibility in a timely fashion. Failure to continue your eligibility will result in immediate action to decertify the firm.

As long as the firm is listed in the DBE Directory, it is considered DBE certified by all Arizona UCP members.

DBE certification is subject to actions by governmental agencies impacting the disadvantaged status of the firm.

Your firm will be listed in Arizona's UCP DBE Directory which can be accessed via the internet at [www.azutracs.com](http://www.azutracs.com).

DBE certification is NOT a guarantee of work, but enables the firm to compete for, and perform, contract work on all USDOT Federal Aid (FAA, FTA, and FHWA) projects in Arizona as a DBE contractor, sub-contractor, consultant, and sub-consultant or material supplier.

If, at any time, there is a material change in the firm, including, but not limited to, ownership, officers, Directors, scope of work being performed, daily operations, affiliations with other businesses or individuals or physical location of the firm, you must notify this office in writing without delay. Notification should include supporting documentation. You will receive timely instruction from this office as to how you should proceed, if necessary.
