RE: DBE Continued Certification

Dear Mr. Perrin:

Your request for continued Disadvantaged Business Enterprise (DBE) status has been reviewed. The Small Business Development Program (SBDP) is pleased to inform you that your company's certification will remain as a Tennessee Department of Transportation (TDOT) certified DBE for the following work category(ies):

**Highway, Street, and Bridge Construction  
Poured Concrete Foundation & Structure Contractors  
Structural Steel & Precast Concrete Contractors  
All Other Specialty Trade Contractors**

The SBDP will be monitoring the operation of your firm from time to time to ensure that it operates as represented within the Federal regulations. Certification will be revoked upon a determination that your firm is not in compliance.

This certification must be updated annually by the submission of a new "No Change Declaration," with supporting documents. Also, the SBDP must be notified if and when there is any change in the ownership or control of the firm. Your company will be reminded approximately 45 days prior to your required annual update. However, the responsibility to assure continued certification is yours.

Sincerely,

David W. Neese  
Director, Small Business Development Program
