Dear Ali Perrin:

Your application for certification as a Disadvantaged Business Enterprise (DBE) and Minority Business Enterprise (MBE) has been approved by the NC Department of Transportation. It is effective as of the date of this letter.

Your firm has been approved for the following NAICS Code(s):

Highway, Street, and Bridge Construction |NAICS Code: 237310

Poured Concrete Foundation and Structure

Contractors |NAICS Code: 238110

Structural Steel and Precast Concrete

Contractors |NAICS Code: 238120

All Other Specialty Trade Contractors |NAICS Code: 238990

Please note that DBE certification status is not considered pre-qualification to bid, or approval to perform work for the Department of Transportation. To become pre-qualified to bid on Department of Transportation projects, or to be approved as a subcontractor, please email prequal@ncdot.gov.

In order to remain as an eligible DBE, your firm will be required to submit a Declaration of No Change and the firm's most recent Federal Business taxes to this office by your anniversary date of **September 30, 2022.**

Failure to submit the requested documents on an annual basis may result in removal of your firm's DBE certification. The Declaration of No Change will attest to the fact that no changes have occurred that would affect your status as a Disadvantaged Business Enterprise and that your personal net worth has not exceeded \$1.32 million as required by federal regulations for economically disadvantaged individuals. We will confirm that your business continues to remain under the business size limits as determined by the Small Business Administration and the DBE size limit of \$26.29 million dollars. This will be determined by averaging the firm's gross receipts over a three-year period. The Office of Civil Rights will provide you with the appropriate forms at least 30 days prior to the anniversary date of your certification.
